

# Evergreen HOA Neighborhood News | April 2020

## BOARD UPDATES

### • Landscaping

The two irrigation systems at the neighborhood entrance have been serviced for spring/summer and are fully operational. Mulch was installed on all the islands on April 3rd. Thank you to our board members and volunteers who installed seasonal color at the entrance. What a nice addition to the community.

### • Board Vacancies

Please consider volunteering time to serve on your neighborhood Board. Thanks to the diligent work of current President Danny Jacobson and Treasurer Dawn Denkins, the neighborhood looks great and we're on a viable financial footing. You can help us keep that momentum going! Current vacancies are Secretary and Member at Large. Please email us if you have questions or are interested in volunteering.

## GARDENING TIPS

Reminder: If you haven't already done so, it's time to get out the lawn equipment and get your yard in shape for spring and summer. Thanks to everyone who has already started on landscape maintenance.

### • Save the Pollinators!

You may have heard the truth of the matter, "No bees, no food". Want to help pollinators? You can make your home pollinator friendly by creating a four season garden with seed bombs, window boxes, moth attractors and more. 'Bee' a good neighbor and visit The Nature Conservancy website for more information:

<https://www.nature.org/en-us/magazine-articles/pollinator-paradise>.

## CORONAVIRUS RESPONSE

Thanks to everyone for following CDC guidelines for sheltering at home and social distancing. The next few weeks will be critical to reducing the number of new cases. We're all in this together!

### • Cloth Masks

The CDC recommends the wearing of facial masks when out of your home. A limited number of masks are available at no charge to Evergreen residents. Please email us with your request.

## EASTER EGG HUNT SUCCESS

Great job by the neighbors around the end of Wax Myrtle Ct. They helped a mom create the hunt with colored paper eggs placed in windows, to be discovered by her young son. Fun for everyone involved!

## TOWN OF CARY RESOURCES

Removal of street parked vehicles blocking emergency & service vehicles:

Non-Emergency Police: 919-469-4012.

Reporting Trash/Recycling Bins in Street: 919-469-4090.

Town will move cart to appropriate location & leave notice for resident. Multiple notices within 12 months results in \$15 fine added to the violator's utility bill.

Storm Drainage Guidance: Todd Hoefler, Sr Storm-water Engineering Tech, [todd.hoefler@townofcary.org](mailto:todd.hoefler@townofcary.org), 919-460-4934

Traffic Calming (parking, speed humps, etc.): Rob Meyers, Traffic Engineer, [rob.meyers@townofcary.org](mailto:rob.meyers@townofcary.org), 919-380-4236.

## REQUIRED ARCHITECTURAL REVIEWS

Approval by the Board is required prior to making exterior home improvements including decks, fences, sheds, and color changes. Email us for the form.
